Walstrom Marine Partnership

Anchored in Community — A Legacy That Lives On!

When local partnerships come together, remarkable things happen—history is honored, community is strengthened, and our future shines a little brighter.

We are honored to share that **Walstrom Marine** has gifted the historic Ottawa Tug Boat, built in 1914, to the Cheboygan County Community Foundation, along with a generous \$5,000 donation to help fuel our mission of building a thriving and connected Cheboygan County.

This remarkable gift—now purchased by the Singer family, owners of Kling's Auto Recycling—is far more than the transfer of an iconic vessel. It symbolizes shared purpose, community pride, and a collective commitment to Cheboygan's future. With support like this, the Foundation continues to champion local initiatives that uplift our region and honor its legacy.

The Cheboygan County Community Foundation exists to:

- ◆ Create Jobs
- ◆ Improve Educational Opportunities
- ◆ Increase Tourism
- ◆ Expand Retail and Commercial Offerings
- ◆ Enhance the Economic Health of Cheboygan County

To Walstrom Marine, the Singer family, and every partner who believes in this community—Thank You. Your investment helps ensure Cheboygan's history is preserved, its present is strengthened, and its future continues to rise with possibility.

Together, we're charting a powerful course forward—and keeping Cheboygan's spirit sailing strong.

Investing in Cheboygan's Future

As the year draws to a close, we invite you to consider making a year-end, tax-deductible donation to the Foundation. We remain committed to bringing new opportunities, resources, and growth to our county—and we can only do it with your support.

Inaugural Passeno Scholarship Awarded

The Passeno Scholarship Fund was formed in memory of Clinton Passeno, who attended Cheboygan Area High School and excelled in the automotive, welding and building trades programs, and Bob Passeno, Clinton's father. Each year a scholarship of \$1,000 will be provided to a grant applicant to be used to purchase tools and equipment required for the student's chosen career. Tools may include welding tools, construction tools, and tools needed for computer programs, dental or medical programs, etc. To be eligible, students must have earned at least a 2.0 GPA at Cheboygan Area High School.

The first scholarship was awarded to Tristan Stead and was used for tools to be used in the welding program at Ferris State University. Students may apply for this scholarship through the Cheboygan High School guidance office who then provides the applications to the Cheboygan County Community Foundation for review.

The next scholarship cycle will begin in January 2026. The scholarship will be presented at the Cheboygan Area High School graduation in May 2026.

Hollywood Nights Gala Raises \$30,000 to Strengthen Cheboygan County's Future

The Cheboygan County Community Foundation rolled out the red carpet for its biannual Hollywood Nights Gala, held in October, at the K of C Hall. The event brought together community members, business leaders, and supporters for an evening of elegance, entertainment, and generosity raising approximately \$30,000 to further the Foundation's mission of creating jobs, improving educational opportunities, increasing tourism, expanding retail and commercial offerings, and enhancing the overall economic health of Cheboygan County.

Guests enjoyed a full-course dinner, live music, entertainment, and a dynamic mix of live and silent auctions that kept the energy high all evening. The event captured the spirit of community collaboration, with every detail from the décor to the program reflecting the heart and pride of Cheboygan County.

The Foundation extends heartfelt thanks to all volunteers and board members whose leadership and teamwork made the evening a resounding success, as well as to the organizations new Executive Director John Wheaton, who served as Master of Ceremonies and helped lead the event to new heights.

Special appreciation goes to the event's generous sponsors who helped make the night possible.

Proceeds from Hollywood Nights will directly support local scholarships, classroom innovation grants, workforce development programs, and community improvement projects each aligned with the Foundation's mission to strengthen the social and economic fabric of Cheboygan County.

"These funds represent more than a dollar amount," said Executive Director John Wheaton. "They represent opportunity for students, small businesses, and community initiatives that move Cheboygan forward. Every sponsor, volunteer, and guest played a part in building a stronger future for our county."
